Facts and Figures

The site had 2 billion monthly page views as of Dec 2011, according to co-founder Ray Chan, although this statement is undocumented.

Facts and Figures

It's called 9gag because when it started it had 9 gags per page and had a "back" and "next" button to navigate through pages unlike the unlimited scrolling facility nowadays.

Conclusions

In conclusion, my recommendations are that this app is a reference in the area of expertise, with an easy to use and basic interface, ideal for this type of usage. This facility is also a bad thing because he loses to many type using these type of apps.

Many thanks for your attention.

Now I'll try to answer any questions you may have.
